

# PREMIERS PLANS // ATELIERS D'ANGERS

Angers / Pays de La Loire // 21-29 janvier 2023

## REGULATION OF THE ANGERS WORKSHOPS

Deadline for application: September, 16<sup>th</sup> 2022

The Angers Workshops, initiated by Jeanne Moreau, are directed toward young filmmakers with one or two short films to their credit and a first feature film in the works.

This training is designed to give them support as they take that crucial step into the world of feature films.

### The Workshops will offer them:

- Training with established filmmakers, screenwriters and technicians who will bring to the classroom their professional experience and methods.
- Screenings and analyses of film classics from the past and present.
- Development of their personal projects under the guidance of the attending instructors, with emphasis on specific questions concerning directing, editing, music and sound, working with actors, production...

### PROGRAMME OF THE FILMAKER IN RESIDENCY

Each day will begin with a **masterclass** by a different instructor.

The afternoons are devoted to **individual interviews** between the filmmakers and the speakers who read the projects.

In the evening, **previews of films** or **films in competition** followed by a meeting with the directors are offered.

## ELIGIBILITY REQUIREMENTS

The Angers Workshops are held entirely in French.

Applicants eligible for the Angers Workshops:
