

PREMIERS PLANS // ATELIERS D'ANGERS

Angers / Pays de La Loire // 21-29 janvier 2023

REGULATION OF THE ANGERS WORKSHOPS

Deadline for application: September, 16th 2022

The Angers Workshops, initiated by Jeanne Moreau, are directed toward young filmmakers with one or two short films to their credit and a first feature film in the works.

This training is designed to give them support as they take that crucial step into the world of feature films.

The Workshops will offer them:

- Training with established filmmakers, screenwriters and technicians who will bring to the classroom their professional experience and methods.
- Screenings and analyses of film classics from the past and present.
- Development of their personal projects under the guidance of the attending instructors, with emphasis on specific questions concerning directing, editing, music and sound, working with actors, production...

PROGRAMME OF THE FILMAKER IN RESIDENCY

Each day will begin with a **masterclass** by a different instructor.

The afternoons are devoted to **individual interviews** between the filmmakers and the speakers who read the projects.

In the evening, **previews of films** or **films in competition** followed by a meeting with the directors are offered.
